

LTC6954IUFF-3#TRPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number:

LTC6954IUFF-3#TRPBF

Manufacturer:

ADI (Analog Devices, Inc.)

Description:

IC CLK BUFFER 1:3 1.4GHZ

Data sheet:

 LTC6954IUFF-x

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

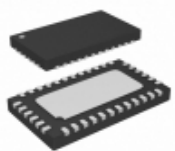

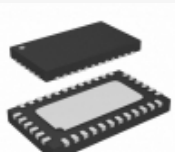

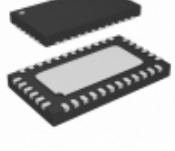

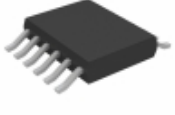

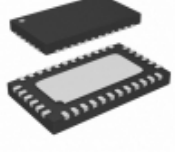

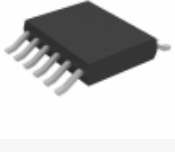

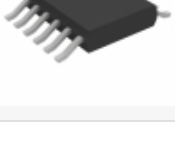

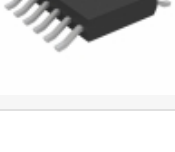

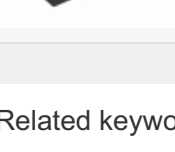

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Description                                                                                                                                                                                                                                                                                                                                                                                                                            | IC CLK BUFFER 1:3 1.4GHZ                                                       | Lead Free Status / RoHS Status  | Lead free / RoHS Compliant |
| Quantity Available                                                                                                                                                                                                                                                                                                                                                                                                                     | 10583 pcs                                                                      | Data sheet                      | LTC6954IUFF-x              |
| Category                                                                                                                                                                                                                                                                                                                                                                                                                               | Integrated Circuits (ICs)                                                      | Voltage - Supply                | 3.15 V ~ 3.45 V            |
| Type                                                                                                                                                                                                                                                                                                                                                                                                                                   | Fanout Buffer (Distribution), Divider                                          | Supplier Device Package         | 36-QFN (4x7)               |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                 | -                                                                              | Ratio - Input:Output            | 1:3                        |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                              | Tape & Reel (TR)                                                               | Package / Case                  | 36-WFQFN Exposed Pad       |
| Output                                                                                                                                                                                                                                                                                                                                                                                                                                 | LVC MOS, LVDS, LVPECL                                                          | Operating Temperature           | -40°C ~ 105°C              |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                                     | 1                                                                              | Mounting Type                   | Surface Mount              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                       | 1 (Unlimited)                                                                  | Manufacturer Standard Lead Time | 8 Weeks                    |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                         | Lead free / RoHS Compliant                                                     | Input                           | LVC MOS, LVDS, LVPECL      |
| Frequency - Max                                                                                                                                                                                                                                                                                                                                                                                                                        | 1.4GHz                                                                         | Differential - Input:Output     | Yes/Yes                    |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                   | Clock Fanout Buffer (Distribution), Divider IC 1:3 1.4GHz 36-WFQFN Exposed Pad | Base Part Number                | LTC6954                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 10583 pieces of ADI (Analog Devices, Inc.) LTC6954IUFF-3#TRPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                |                                 |                            |

|  | Part#: LTC6957HMS-2#TRPBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP    | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6951IUHF-1#PBF<br>Description: IC CLOCK SYNTHESIZER PLL 40QFN   | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-4#TRPBF<br>Description: IC CLK BUFFER 1:3 1.4GHZ       | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-1#TRPBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP    | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-1<br>Description: IC POWER MANAGEMENT                  | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-1#PBF<br>Description: IC CLK BUFFER 1:3 1.8GHZ         | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-2<br>Description: IC POWER MANAGEMENT                  | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-1#PBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP      | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-4<br>Description: IC POWER MANAGEMENT                  | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-3#PBF<br>Description: IC CLK BUFFER 1:3 1.4GHZ         | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-4#PBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP      | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-2#PBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP      | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-3#PBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP      | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-3<br>Description: IC POWER MANAGEMENT                  | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6957HMS-3#TRPBF<br>Description: IC CLK BUFFER DVR 1:2 12MSOP    | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6951IUHF-1#TRPBF<br>Description: IC SYNTHESIZER MULTI-OUT 40QFN | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-4#PBF<br>Description: IC CLK BUFFER 1:3 1.4GHZ         | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-1#TRPBF<br>Description: IC CLK BUFFER 1:3 1.8GHZ       | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
|  | Part#: LTC6954IUFF-2#TRPBF<br>Description: IC CLK BUFFER 1:3 1.4GHZ       | Manufacturers: ADI (Analog Devices, Inc.) | RFQ |
