

LTC6993HDCB-2#TRMPBF

AHEAD OF WHAT'S POSSIBLE™

Part Number: [LTC6993HDCB-2#TRMPBF](#)

Manufacturer: [ADI \(Analog Devices, Inc.\)](#)

Description: IC MONOSTABLE MULTIVIBRATOR 6DFN

Data sheet:  [LTC6993-\(1,-2,-3,-4\)](#)

RoHs Status: Lead free / RoHS Compliant

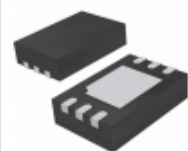

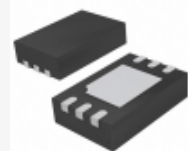

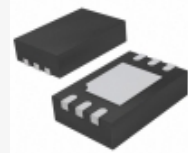

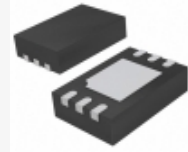

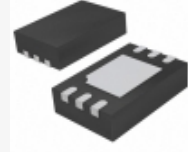

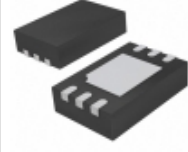

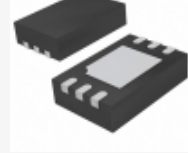

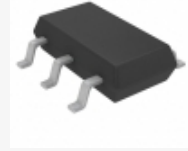

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Monostable Multivibrator 11ns 6-DFN (2x3) | Current - Output High, Low       | 16mA, 16mA                                 |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | LTC6993                                   |                                  |                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all ADI (Analog Devices, Inc.) series electronic components. We have 39936 pieces of ADI (Analog Devices, Inc.) LTC6993HDCB-2#TRMPBF in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                            |
