

LV4904V-TLM-E

ON Semiconductor®

Part Number: LV4904V-TLM-E

Manufacturer: AMI Semiconductor / ON Semiconductor

Description: IC AMP AUDIO CLASS D 44-SSOP

Data sheet:  LV4904V

RoHs Status: Lead free / RoHS Compliant

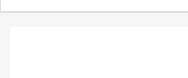

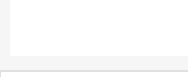

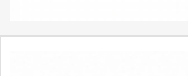

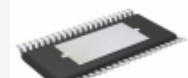

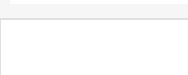

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                                                                                              | -                                                | Packaging                          | Tape & Reel (TR)                                                                        |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                      | 44-LSSOP (0.220", 5.60mm Width) Exposed Pad      | Output Type                        | 2-Channel (Stereo)                                                                      |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                               | -30°C ~ 70°C (TA)                                | Mounting Type                      | Surface Mount                                                                           |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                    | 3 (168 Hours)                                    | Max Output Power x Channels @ Load | 15W x 2 @ 8 Ohm                                                                         |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                      | Lead free / RoHS Compliant                       | Features                           | I <sup>2</sup> C, I <sup>2</sup> S, Mute, Short-Circuit and Thermal Protection, Standby |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                | Amplifier IC 2-Channel (Stereo) Class D 44-SSOPJ | Base Part Number                   | LV4904                                                                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 4833 pieces of AMI Semiconductor / ON Semiconductor LV4904V-TLM-E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                  |                                    |                                                                                         |

|  | Part#: LV49152V-TLM-E<br>Description: IC AMP AUDIO CLASS D BTL 44SSOP | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV47009PGEVB<br>Description: EVAL BOARD LV47009PG              | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV4900HR-MPB-E<br>Description: IC AUDIO AMP CLASS D 36HSOP     | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV4910T-TLM-E<br>Description: IC AUDIO AMP CLASS D 30TSSOP     | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV4904VGEVB<br>Description: BOARD EVAL FOR LV4904V             | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV4912GP-TE-L-E<br>Description: IC AMP AUDIO CLASS D BTL 24VCT | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV47017P-E<br>Description: IC AUDIO PWR AMP BTL 4CH 25HZIP     | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |
|  | Part#: LV4900HR-TLM-E<br>Description: IC AUDIO AMP CLASS D 36HSOP     | Manufacturers: AMI Semiconductor / ON Semiconductor | RFQ |

Related keywords for LV4904V-TLM-E
