

LX2203CLD-TR

Part Number: LX2203CLD-TR

Manufacturer: Microsemi

Description: TRANSCEIVER

Data sheet:  LX2203CLD

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER              |                                                  |                                  |                                              |
|--------------------------------|--------------------------------------------------|----------------------------------|----------------------------------------------|
| Part Number                    | LX2203CLD-TR                                     | Manufacturer                     | <a href="#">Microsemi</a>                    |
| Description                    | TRANSCEIVER                                      | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                   |
| Quantity Available             | 4554 pcs                                         | Data sheet                       | <a href="#">LX2203CLD</a>                    |
| Category                       | <a href="#">Integrated Circuits (ICs)</a>        | Voltage - Supply (Max)           | 6V                                           |
| Supplier Device Package        | 10-MLPD (3x3)                                    | Series                           | -                                            |
| Programmable Features          | Current                                          | Packaging                        | Bulk                                         |
| Package / Case                 | 10-TFDFN Exposed Pad                             | Operating Temperature            | -40°C ~ 85°C (TA)                            |
| Number of Cells                | 1                                                | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                       | Interface                        | -                                            |
| Fault Protection               | Over Temperature, Reverse Current, Short Circuit | Detailed Description             | Charger IC Lithium Ion/Polymer 10-MLPD (3x3) |
| Current - Charging             | Constant - Programmable                          | Charge Current - Max             | 1A                                           |
| Battery Pack Voltage           | 4.2V                                             | Battery Chemistry                | Lithium Ion/Polymer                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Microsemi series electronic components. We have 4554 pieces of Microsemi LX2203CLD-TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
