

M95020-RDW6TP

life.augmented

Part Number: [M95020-RDW6TP](#)

Manufacturer: [STMicroelectronics](#)

Description: IC EEPROM 2K SPI 20MHZ 8TSSOP

Data sheet:  [M950x0\(-W,-R\)](#)

RoHs Status: Lead free / RoHS Compliant

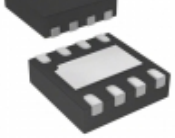

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                                 | M95020                                           |                                  |                                    |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all STMicroelectronics series electronic components. We have 391408 pieces of STMicroelectronics M95020-RDW6TP in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                  |                                  |                                    |
