

MAL210437332E3

Part Number: MAL210437332E3

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP ALUM 3300UF 20% 450V SCREW

Data sheet:  104 PHL-ST (MAL2104) Series

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                | 3300µF 450V Aluminum Electrolytic Capacitors Radial, Can - Screw Terminals 36 mOhm 5000 Hrs @ 105°C | Capacitance                        | 3300µF                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                                                                     |                                    |                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 786 pieces of Electro-Films (EFI) / Vishay MAL210437332E3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                                                     |                                    |                              |
