

MAQ5281-3.3YMME-VAO

Part Number: [MAQ5281-3.3YMME-VAO](#)

Manufacturer: [Microchip Technology](#)

Description: IC REG LDO 3.3V 25MA 8MSOP

Data sheet:  [MAQ5281](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Current - Output                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 3.3V                                                                  | Current - Limit (Min)           | 1                                                  |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 4961 pieces of Micrel / Microchip Technology MAQ5281-3.3YMME-VAO in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                       |                                 |                                                    |
