

MAX15034BAUI+T

Part Number: [MAX15034BAUI+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC REG CTRLR BUCK 28TSSOP

Data sheet:  [MAX15034](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Topology                         | Buck                                                                     | Synchronous Rectifier           | Yes                                                               |
| Supplier Device Package          | 28-TSSOP-EP                                                              | Series                          | -                                                                 |
| Serial Interfaces                | -                                                                        | Packaging                       | Tape & Reel (TR)                                                  |
| Package / Case                   | 28-TSSOP (0.173", 4.40mm Width) Exposed Pad                              | Output Type                     | Transistor Driver                                                 |
| Output Phases                    | 2                                                                        | Output Configuration            | Positive                                                          |
| Operating Temperature            | -40°C ~ 125°C (TJ)                                                       | Number of Outputs               | 2                                                                 |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                            | Manufacturer Standard Lead Time | 6 Weeks                                                           |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                               | Function                        | Step-Down                                                         |
| Frequency - Switching            | 100kHz ~ 1MHz                                                            | Duty Cycle (Max)                | -                                                                 |
| Detailed Description             | Buck Regulator Positive Output Step-Down DC-DC Controller IC 28-TSSOP-EP | Control Features                | Enable, Frequency Control                                         |
| Clock Sync                       | No                                                                       | Base Part Number                | MAX15034                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 14707 pieces of Maxim Integrated MAX15034BAUI+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
