

MAX1673ESA

**Part Number:** [MAX1673ESA](#)

**Manufacturer:** [Maxim Integrated](#)

**Description:** IC REG SWTCHD CAP INV ADJ 8SOIC

**Data sheet:**  [Part Numbering System](#)  
 [MAX1673](#)

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                       | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Output (Min/Fixed)     | -1.5V                                                                                                     |
| Voltage - Output (Max)         | -5.5V                                     | Voltage - Input (Min)            | 2V                                                                                                        |
| Voltage - Input (Max)          | 5.5V                                      | Topology                         | Charge Pump                                                                                               |
| Synchronous Rectifier          | No                                        | Supplier Device Package          | 8-SOIC                                                                                                    |
| Series                         | -                                         | Packaging                        | Tube                                                                                                      |
| Package / Case                 | 8-SOIC (0.154", 3.90mm Width)             | Output Type                      | Adjustable                                                                                                |
| Output Configuration           | Negative                                  | Other Names                      | Q1155209A                                                                                                 |
| Operating Temperature          | -40°C ~ 85°C (TA)                         | Number of Outputs                | 1                                                                                                         |
| Mounting Type                  | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                             |
| Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant        | Function                         | Step-Down                                                                                                 |
| Frequency - Switching          | 350kHz                                    | Detailed Description             | Charge Pump Switching Regulator IC Negative Adjustable -1.5V 1 Output 125mA 8-SOIC (0.154", 3.90mm Width) |
| Current - Output               | 125mA                                     | Base Part Number                 | MAX1673                                                                                                   |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4180 pieces of Maxim Integrated MAX1673ESA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
