

MAX17061AETI+

Images are for reference only.  
See Product Specifications for product details.  
Buy MAX17061AETI+ with confidence from Component-World.HK, 1 Year Warranty

Part Number: [MAX17061AETI+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC LED DRIVER RGLTR DIM 28TQFN

Data sheet:  [MAX17061A](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

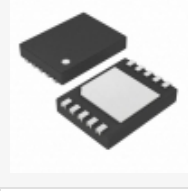

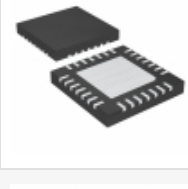

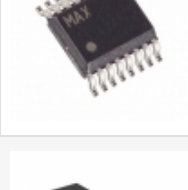

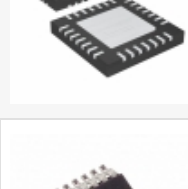

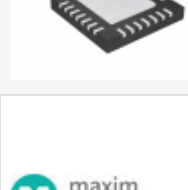

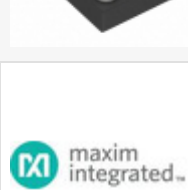

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| Category                       | <a href="#">Integrated Circuits (ICs)</a>                                             | Voltage - Supply (Min)           | 4.5V                                                               |
| Voltage - Supply (Max)         | 26V                                                                                   | Voltage - Output                 | -                                                                  |
| Type                           | DC DC Regulator                                                                       | Topology                         | Step-Up (Boost)                                                    |
| Supplier Device Package        | 28-TQFN (4x4)                                                                         | Series                           | -                                                                  |
| Packaging                      | Tube                                                                                  | Package / Case                   | 28-WFQFN Exposed Pad                                               |
| Operating Temperature          | -40°C ~ 85°C (TA)                                                                     | Number of Outputs                | 8                                                                  |
| Mounting Type                  | Surface Mount                                                                         | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                      |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                                                            | Internal Switch(s)               | Yes                                                                |
| Frequency                      | 1MHz                                                                                  | Dimming                          | PWM                                                                |
| Detailed Description           | LED Driver IC 8 Output DC DC Regulator Step-Up (Boost) PWM Dimming 30mA 28-TQFN (4x4) | Current - Output / Channel       | 30mA                                                               |
| Base Part Number               | MAX17061                                                                              | Applications                     | Backlight                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 23164 pieces of Maxim Integrated MAX17061AETI+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
