

MAX17651AZT+

Part Number: [MAX17651AZT+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC REG LINEAR 100mA SOT23-6

Data sheet:  [MAX17651](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Description                      | IC REG LINEAR 100mA SOT23-6                                                           | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                    |
| Quantity Available               | 5753 pcs                                                                              | Data sheet                     | <a href="#">MAX17651</a>                      |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                                             | Voltage Dropout (Max)          | 1.1V @ 100mA                                  |
| Voltage - Output (Min/Fixed)     | 0.6V                                                                                  | Voltage - Output (Max)         | 58V                                           |
| Voltage - Input (Max)            | 60V                                                                                   | Supplier Device Package        | TSOT-23-6                                     |
| Series                           | -                                                                                     | Protection Features            | Over Current, Over Temperature, Short Circuit |
| Packaging                        | Strip                                                                                 | Package / Case                 | SOT-23-6 Thin, TSOT-23-6                      |
| PSRR                             | -                                                                                     | Output Type                    | Adjustable                                    |
| Output Configuration             | Positive                                                                              | Operating Temperature          | -40°C ~ 125°C                                 |
| Number of Regulators             | 1                                                                                     | Mounting Type                  | Surface Mount                                 |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                         | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                    |
| Detailed Description             | Linear Voltage Regulator IC Positive Adjustable 1 Output 0.6 V ~ 59 V 100mA TSOT-23-6 |                                |                                               |
| Current - Output                 | 100mA                                                                                 | Current - Quiescent (Iq)       | 15µA                                          |
|                                  |                                                                                       | Control Features               | Enable, Power Good                            |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 5753 pieces of Maxim Integrated MAX17651AZT+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
