

MAX4209KAUA+

Images are for reference only.  
See Product Specifications for product details.  
Buy MAX4209KAUA+ with confidence from Component-World.HK, 1 Year Warranty

Part Number:

MAX4209KAUA+

Manufacturer:

Maxim Integrated

Description:

IC INSTRUMENT AMP PREC 8-UMAX

Data sheet:

 MAX4208/09

 Part Numbering System

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 2.85 V ~ 5.5 V, ±1.425 V ~ 2.25 V                                   |
| Voltage - Input Offset           | 3µV                                       | Supplier Device Package           | 8-uMAX                                                              |
| Slew Rate                        | 0.055 V/µs                                | Series                            | -                                                                   |
| Packaging                        | Tube                                      | Package / Case                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                              |
| Output Type                      | Rail-to-Rail                              | Operating Temperature             | -40°C ~ 125°C                                                       |
| Number of Circuits               | 1                                         | Mounting Type                     | Surface Mount                                                       |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Gain Bandwidth Product           | 750kHz                                    | Detailed Description              | Instrumentation Amplifier 1 Circuit Rail-to-Rail 8-uMAX             |
| Current - Supply                 | 1.4mA                                     | Current - Output / Channel        | 25mA                                                                |
| Current - Input Bias             | 1pA                                       | Base Part Number                  | MAX4209                                                             |
| Amplifier Type                   | Instrumentation                           | -3db Bandwidth                    | 7.5kHz                                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 5623 pieces of Maxim Integrated MAX4209KAUA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
