

MAX4354EUD+T

Part Number: [MAX4354EUD+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC OPAMP VFB 80MHZ RRO 14TSSOP

Data sheet:  [MAX4352-54, 4452-54](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Description                      | IC OPAMP VFB 80MHZ RRO 14TSSOP                             | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                                   |
| Quantity Available               | 4150 pcs                                                   | Data sheet                        | <a href="#">MAX4352-54, 4452-54</a><br><a href="#">Part Numbering System</a> |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                  | Voltage - Supply, Single/Dual (±) | 2.7 V ~ 5.25 V                                                               |
| Voltage - Input Offset           | 400µV                                                      | Supplier Device Package           | 14-TSSOP                                                                     |
| Slew Rate                        | 240 V/µs                                                   | Series                            | -                                                                            |
| Packaging                        | Tape & Reel (TR)                                           | Package / Case                    | 14-TSSOP (0.173", 4.40mm Width)                                              |
| Output Type                      | Rail-to-Rail                                               | Operating Temperature             | -40°C ~ 85°C                                                                 |
| Number of Circuits               | 4                                                          | Mounting Type                     | Surface Mount                                                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                              | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                                   |
| Detailed Description             | Voltage Feedback Amplifier 4 Circuit Rail-to-Rail 14-TSSOP | Current - Supply                  | 620µA                                                                        |
| Current - Output / Channel       | 22mA                                                       | Current - Input Bias              | 800nA                                                                        |
| Base Part Number                 | MAX4354                                                    | Amplifier Type                    | Voltage Feedback                                                             |
| -3db Bandwidth                   | 80MHz                                                      |                                   |                                                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4150 pieces of Maxim Integrated MAX4354EUD+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
