

MAX435CPD

Images are for reference only.  
See Product Specifications for product details.  
**Buy MAX435CPD with confidence from Component-World.HK, 1 Year Warranty**

**Part Number:** [MAX435CPD](#)

**Manufacturer:** [Maxim Integrated](#)

**Description:** IC OPAMP TRANSCOND 275MHZ 14DIP

**Data sheet:**  [MAX435-MAX436](#)  
 [Part Numbering System](#)

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

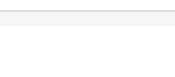

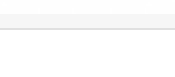

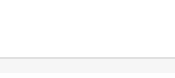

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

[Request For Quotation](#)

| Quantity Available               | 4592 pcs                                                  | Data sheet                        | <a href="#">MAX435-MAX436</a><br><a href="#">Part Numbering System</a> |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>                 | Voltage - Supply, Single/Dual (±) | ±4.75 V ~ 5.25 V                                                       |
| Voltage - Input Offset           | 300µV                                                     | Supplier Device Package           | 14-PDIP                                                                |
| Slew Rate                        | 800 V/µs                                                  | Series                            | -                                                                      |
| Packaging                        | Tube                                                      | Package / Case                    | 14-DIP (0.300", 7.62mm)                                                |
| Output Type                      | Differential                                              | Operating Temperature             | 0°C ~ 70°C                                                             |
| Number of Circuits               | 1                                                         | Mounting Type                     | Through Hole                                                           |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                             | Lead Free Status / RoHS Status    | Contains lead / RoHS non-compliant                                     |
| Detailed Description             | Transconductance Amplifier 1 Circuit Differential 14-PDIP | Current - Supply                  | 35mA                                                                   |
| Current - Output / Channel       | 10mA                                                      | Current - Input Bias              | 1µA                                                                    |
| Base Part Number                 | MAX435                                                    | Amplifier Type                    | Transconductance                                                       |
| -3db Bandwidth                   | 275MHz                                                    |                                   |                                                                        |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4592 pieces of Maxim Integrated MAX435CPD in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
