

MAX4386EESD+

Part Number: [MAX4386EESD+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC OP AMP R-R SNGL 14-SOIC

Data sheet:  [MAX4385E,86E](#)  
 [Part Numbering System](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 4.5 V ~ 5.5 V                                                         |
| Supplier Device Package          | 14-SOIC                                   | Slew Rate                         | 450 V/μs                                                              |
| Series                           | -                                         | Packaging                         | Tube                                                                  |
| Package / Case                   | 14-SOIC (0.154", 3.90mm Width)            | Output Type                       | Rail-to-Rail                                                          |
| Number of Circuits               | 4                                         | Mounting Type                     | Surface Mount                                                         |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Manufacturer Standard Lead Time   | 6 Weeks                                                               |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Detailed Description              | Video Amp, 4 Voltage Feedback 14-SOIC                                 |
| Current - Supply                 | 5.5mA                                     | Current - Output / Channel        | 55mA                                                                  |
| Base Part Number                 | MAX4386                                   | Applications                      | Voltage Feedback                                                      |
| -3db Bandwidth                   | 230MHz                                    |                                   |                                                                       |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 36600 pieces of Maxim Integrated MAX4386EESD+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
