Buy MAX5111GWX+TG074 with confidence from  
Component-World.HK, 1 Year Warranty

Part Number:

MAX5111GWX+TG074

Manufacturer:

Maxim Integrated

Description:

DAC 14BIT 9CH W/I2C 36-WLP

Data sheet:

 [Part Numbering System](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                       |                                |                                       |

| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4467 pieces of Maxim Integrated MAX5111GWX+TG074 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                       |                                |                                       |
