

MAX5408ETE+

Images are for reference only.  
See Product Specifications for product details.  
Buy MAX5408ETE+ with confidence from Component-World.HK, 1 Year Warranty

Part Number:

MAX5408ETE+

Manufacturer

Maxim Integrated

Description

IC POT DGTL DUAL AUDIO 16-TQFN

Data sheet:

MAX5408, 09, 10, 11

Part Numbering System

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| Category                         | Integrated Circuits (ICs)                                                   | Voltage - Supply                | 2.7 V ~ 3.6 V                                |
| Tolerance                        | ±30%                                                                        | Temperature Coefficient (Typ)   | 35 ppm/°C                                    |
| Taper                            | Logarithmic                                                                 | Supplier Device Package         | 16-TQFN (4x4)                                |
| Series                           | -                                                                           | Resistance - Wiper (Ohms) (Typ) | 1000                                         |
| Resistance (Ohms)                | 10k                                                                         | Packaging                       | Tube                                         |
| Package / Case                   | 16-WQFN Exposed Pad                                                         | Operating Temperature           | -40°C ~ 85°C                                 |
| Number of Taps                   | 32                                                                          | Number of Circuits              | 2                                            |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                               | Memory Type                     | Volatile                                     |
| Manufacturer Standard Lead Time  | 6 Weeks                                                                     | Lead Free Status / RoHS Status  | Lead free / RoHS Compliant                   |
| Interface                        | SPI                                                                         | Features                        | Mute, Zero-Cross Sense                       |
| Detailed Description             | Digital Potentiometer 10k Ohm 2 Circuit 32 Taps SPI Interface 16-TQFN (4x4) | Configuration                   | Potentiometer                                |
| Base Part Number                 | MAX5408                                                                     |                                 |                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 38071 pieces of Maxim Integrated MAX5408ETE+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
