

MAX5927AETJ+T

Part Number: [MAX5927AETJ+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC HOT SWAP CTRLR QUAD 32-TQFN

Data sheet:  [MAX5927A,29A-D](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

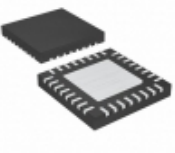

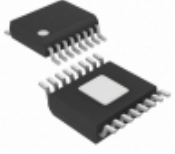

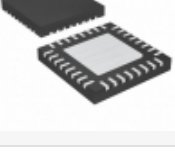

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                        | <a href="#">Integrated Circuits (ICs)</a>                                                                          | Voltage - Supply                 | 1 V ~ 15 V                                                                |
| Type                            | Hot Swap Controller, Sequencer                                                                                     | Supplier Device Package          | 32-TQFN-EP (5x5)                                                          |
| Series                          | VariableSpeed/BILevel™                                                                                             | Programmable Features            | Auto Retry, Circuit Breaker, Current Limit, Fault Timeout, UVLO           |
| Packaging                       | Tape & Reel (TR)                                                                                                   | Package / Case                   | 32-WFQFN Exposed Pad                                                      |
| Operating Temperature           | -40°C ~ 85°C                                                                                                       | Number of Channels               | 4                                                                         |
| Mounting Type                   | Surface Mount                                                                                                      | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                             |
| Manufacturer Standard Lead Time | 6 Weeks                                                                                                            | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                |
| Internal Switch(s)              | No                                                                                                                 | Features                         | Fault Timeout                                                             |
| Feature Pins                    | BIAS, IN1, IN2, IN3, IN4, LATCH, LIM1, LIM2, LIM3, LIM4, MODE, ON1, ON2, ON3, ON4, POL, STAT1, STAT2, STAT3, STAT4 | Detailed Description             | Hot Swap Controller, Sequencer 4 Channel General Purpose 32-TQFN-EP (5x5) |
| Current - Supply                | 2.5mA                                                                                                              | Current - Output (Max)-          |                                                                           |
| Base Part Number                | MAX5927                                                                                                            | Applications                     | General Purpose                                                           |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 11858 pieces of Maxim Integrated MAX5927AETJ+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
