

MAX663CSA+

**Part Number:** [MAX663CSA+](#)

**Manufacturer:** [Maxim Integrated](#)

**Description:** IC REG LINEAR POS ADJ 40MA 8SOIC

**Data sheet:**  [MAX663-666](#)  
 [Part Numbering System](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Voltage - Output (Min/Fixed)     | 1.3V (5V)                                 | Voltage - Output (Max)          | 16V                                                                                            |
| Voltage - Input (Max)            | 16.5V                                     | Supplier Device Package         | 8-SOIC                                                                                         |
| Series                           | -                                         | Protection Features             | -                                                                                              |
| Packaging                        | Tube                                      | Package / Case                  | 8-SOIC (0.154", 3.90mm Width)                                                                  |
| PSRR                             | -                                         | Output Type                     | Adjustable (Fixed)                                                                             |
| Output Configuration             | Positive                                  | Operating Temperature           | 0°C ~ 70°C                                                                                     |
| Number of Regulators             | 1                                         | Mounting Type                   | Surface Mount                                                                                  |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Manufacturer Standard Lead Time | 6 Weeks                                                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Detailed Description            | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 5V, 1.3 V ~ 16 V 40mA 8-SOIC |
| Current - Quiescent (Iq)         | 15µA                                      | Current - Output                | 40mA                                                                                           |
| Control Features                 | Current Limit, Enable                     | Base Part Number                | MAX663                                                                                         |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 45785 pieces of Maxim Integrated MAX663CSA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
