

MAX664CSA+

Part Number: [MAX664CSA+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC REG LINEAR NEG ADJ 8SOIC

Data sheet:  [MAX663-666](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage Dropout (Max)           | -                                                                                            |
| Voltage - Output (Min/Fixed)     | -1.3V (-5V)                               | Voltage - Output (Max)          | -16V                                                                                         |
| Voltage - Input (Max)            | -16.5V                                    | Supplier Device Package         | 8-SOIC                                                                                       |
| Series                           | -                                         | Protection Features             | -                                                                                            |
| Packaging                        | Tube                                      | Package / Case                  | 8-SOIC (0.154", 3.90mm Width)                                                                |
| PSRR                             | -                                         | Output Type                     | Adjustable (Fixed)                                                                           |
| Output Configuration             | Negative                                  | Operating Temperature           | 0°C ~ 70°C                                                                                   |
| Number of Regulators             | 1                                         | Mounting Type                   | Surface Mount                                                                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Manufacturer Standard Lead Time | 6 Weeks                                                                                      |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Detailed Description            | Linear Voltage Regulator IC Negative Fixed or Adjustable 1 Output -5V, -1.3 V ~ -16 V 8-SOIC |
| Current - Quiescent (Iq)         | 15µA                                      | Current - Output                | -                                                                                            |
| Control Features                 | Current Limit, Enable                     | Base Part Number                | MAX664                                                                                       |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 38543 pieces of Maxim Integrated MAX664CSA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
