

MAX883CSA

Part Number: [MAX883CSA](#)

Manufacturer: [Maxim Integrated](#)

Description: IC REG LIN POS ADJ 200MA 8SOIC

Data sheet:  [MAX882-884](#)  
 [Part Numbering System](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

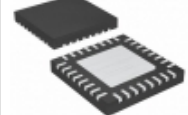

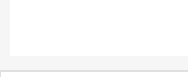

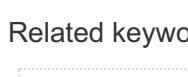

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                       | <a href="#">Integrated Circuits (ICs)</a> | Voltage Dropout (Max)            | 0.44V @ 200mA                                                                                    |
| Voltage - Output (Min/Fixed)   | 1.25V (5V)                                | Voltage - Output (Max)           | 11V                                                                                              |
| Voltage - Input (Max)          | 11.5V                                     | Supplier Device Package          | 8-SOIC                                                                                           |
| Series                         | -                                         | Protection Features              | Over Current, Over Temperature, Reverse Polarity                                                 |
| Packaging                      | Tube                                      | Package / Case                   | 8-SOIC (0.154", 3.90mm Width)                                                                    |
| PSRR                           | -                                         | Output Type                      | Adjustable (Fixed)                                                                               |
| Output Configuration           | Positive                                  | Other Names                      | Q1540831A                                                                                        |
| Operating Temperature          | 0°C ~ 70°C                                | Number of Regulators             | 1                                                                                                |
| Mounting Type                  | Surface Mount                             | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                                                    |
| Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant        | Detailed Description             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 5V, 1.25 V ~ 11 V 200mA 8-SOIC |
| Current - Supply (Max)         | 25µA                                      | Current - Quiescent (Iq)         | 15µA                                                                                             |
| Current - Output               | 200mA                                     | Control Features                 | Enable, Low Battery Detection                                                                    |
| Base Part Number               | MAX883                                    |                                  |                                                                                                  |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4091 pieces of Maxim Integrated MAX883CSA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
