

MAX889SESA+

Part Number: [MAX889SESA+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC REG SWTCHD CAP INV ADJ 8SOIC

Data sheet:  [MAX889](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Output (Min/Fixed)    | -2.5V                                                                                                     |
| Voltage - Output (Max)           | -5.5V                                     | Voltage - Input (Min)           | 2.7V                                                                                                      |
| Voltage - Input (Max)            | 5.5V                                      | Topology                        | Charge Pump                                                                                               |
| Synchronous Rectifier            | No                                        | Supplier Device Package         | 8-SOIC                                                                                                    |
| Series                           | -                                         | Packaging                       | Tube                                                                                                      |
| Package / Case                   | 8-SOIC (0.154", 3.90mm Width)             | Output Type                     | Adjustable                                                                                                |
| Output Configuration             | Negative                                  | Operating Temperature           | -40°C ~ 85°C (TA)                                                                                         |
| Number of Outputs                | 1                                         | Mounting Type                   | Surface Mount                                                                                             |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             | Manufacturer Standard Lead Time | 6 Weeks                                                                                                   |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                | Function                        | Step-Down                                                                                                 |
| Frequency - Switching            | 1MHz                                      | Detailed Description            | Charge Pump Switching Regulator IC Negative Adjustable -2.5V 1 Output 200mA 8-SOIC (0.154", 3.90mm Width) |
| Current - Output                 | 200mA                                     | Base Part Number                | MAX889                                                                                                    |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 34699 pieces of Maxim Integrated MAX889SESA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
