

MAX8934BETI+T

Part Number: [MAX8934BETI+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC BATTERY CHARGER DUAL 28TQFN

Data sheet:  [MAX8934A-34E](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Description                     | IC BATTERY CHARGER DUAL 28TQFN               | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                            |
| Quantity Available              | 42705 pcs                                    | Data sheet                       | <a href="#">MAX8934A-34E</a><br><a href="#">Part Numbering System</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a>    | Voltage - Supply (Max)           | 6.6V                                                                  |
| Supplier Device Package         | 28-TQFN (4x4)                                | Series                           | Smart Power Selector™                                                 |
| Programmable Features           | Current, Timer                               | Packaging                        | Tape & Reel (TR)                                                      |
| Package / Case                  | 28-WFQFN Exposed Pad                         | Operating Temperature            | -40°C ~ 85°C (TA)                                                     |
| Number of Cells                 | 1                                            | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                         |
| Manufacturer Standard Lead Time | 6 Weeks                                      | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                            |
| Interface                       | USB                                          | Fault Protection                 | Over Voltage                                                          |
| Detailed Description            | Charger IC Lithium Ion/Polymer 28-TQFN (4x4) | Current - Charging               | Constant - Programmable                                               |
| Charge Current - Max            | 1.5A                                         | Battery Pack Voltage             | 4.2V                                                                  |
| Battery Chemistry               | Lithium Ion/Polymer                          | Base Part Number                 | MAX8934                                                               |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 42705 pieces of Maxim Integrated MAX8934BETI+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
