Buy MAX901BCSE with confidence from Component-World.HK, 1 Year Warranty

maxim  
integrated™

Part Number: [MAX901BCSE](#)

Manufacturer: [Maxim Integrated](#)

Description: IC COMPARATOR QUAD HS LP 16-SOIC

Data sheet:  [Part Numbering System](#)  
 [MAX900-903](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Quantity Available             | 4417 pcs                                  | Data sheet                        | <a href="#">Part Numbering System</a><br><a href="#">MAX900-903</a> |
| Category                       | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 5 V ~ 10 V, ±2.5 V ~ 5 V                                            |
| Voltage - Input Offset (Max)   | 4mV @ ±5V                                 | Type                              | General Purpose                                                     |
| Supplier Device Package        | 16-SOIC                                   | Series                            | -                                                                   |
| Propagation Delay (Max)        | -                                         | Packaging                         | Tube                                                                |
| Package / Case                 | 16-SOIC (0.154", 3.90mm Width)            | Output Type                       | TTL                                                                 |
| Operating Temperature          | 0°C ~ 70°C                                | Number of Elements                | 4                                                                   |
| Mounting Type                  | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                       |
| Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant        | Hysteresis                        | -                                                                   |
| Detailed Description           | Comparator General Purpose TTL 16-SOIC    | Current - Quiescent (Max)         | 15mA,12mA,6mA                                                       |
| Current - Output (Typ)         | -                                         | Current - Input Bias (Max)        | 10µA @ ±5V                                                          |
| CMRR, PSRR (Typ)               | 82.5dB CMRR, 80dB PSRR                    | Base Part Number                  | MAX901                                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 4417 pieces of Maxim Integrated MAX901BCSE in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
