

MAX9092AKA+T

**Part Number:** [MAX9092AKA+T](#)

**Manufacturer:** [Maxim Integrated](#)

**Description:** IC COMPARATOR GP DUAL SOT23-8

**Data sheet:**  [MAX9092-95](#)  
 [Part Numbering System](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Quantity Available               | 53591 pcs                                      | Data sheet                        | <a href="#">MAX9092-95</a><br><a href="#">Part Numbering System</a> |
| Category                         | <a href="#">Integrated Circuits (ICs)</a>      | Voltage - Supply, Single/Dual (±) | 1.8 V ~ 5.5 V                                                       |
| Voltage - Input Offset (Max)     | 7mV @ 5V                                       | Type                              | General Purpose                                                     |
| Supplier Device Package          | SOT-23-8                                       | Series                            | -                                                                   |
| Propagation Delay (Max)          | 110ns                                          | Packaging                         | Tape & Reel (TR)                                                    |
| Package / Case                   | SOT-23-8                                       | Output Type                       | Open Drain                                                          |
| Other Names                      | MAX9092AKA+T-ND<br>MAX9092AKA+TTR              | Operating Temperature             | -40°C ~ 125°C                                                       |
| Number of Elements               | 2                                              | Mounting Type                     | Surface Mount                                                       |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                  | Manufacturer Standard Lead Time   | 6 Weeks                                                             |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                     | Hysteresis                        | -                                                                   |
| Detailed Description             | Comparator General Purpose Open Drain SOT-23-8 | Current - Quiescent (Max)         | 200µA                                                               |
| Current - Output (Typ)           | 35mA @ 5V                                      | Current - Input Bias (Max)        | 0.25µA @ 5V                                                         |
| CMRR, PSRR (Typ)                 | 90dB PSRR                                      | Base Part Number                  | MAX9092                                                             |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 53591 pieces of Maxim Integrated MAX9092AKA+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
