

MAX9095ASD+T

Part Number: [MAX9095ASD+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC COMPARATOR GP DUAL 14SOIC

Data sheet:  [MAX9092-95](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Description                     | IC COMPARATOR GP DUAL 14SOIC              | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Quantity Available              | 92075 pcs                                 | Data sheet                        | <a href="#">MAX9092-95</a><br><a href="#">Part Numbering System</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 1.8 V ~ 5.5 V                                                       |
| Voltage - Input Offset (Max)    | 7mV @ 5V                                  | Type                              | General Purpose                                                     |
| Supplier Device Package         | 14-SOIC                                   | Series                            | -                                                                   |
| Propagation Delay (Max)         | 110ns                                     | Packaging                         | Tape & Reel (TR)                                                    |
| Package / Case                  | 14-SOIC (0.154", 3.90mm Width)            | Output Type                       | Open Drain                                                          |
| Operating Temperature           | -40°C ~ 125°C                             | Number of Elements                | 4                                                                   |
| Mounting Type                   | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                       |
| Manufacturer Standard Lead Time | 6 Weeks                                   | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Hysteresis                      | 2mV                                       | Detailed Description              | Comparator General Purpose Open Drain 14-SOIC                       |
| Current - Quiescent (Max)       | 400µA                                     | Current - Output (Typ)            | 35mA @ 5V                                                           |
| Current - Input Bias (Max)      | 250nA @ 5V                                | CMRR, PSRR (Typ)                  | -                                                                   |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 92075 pieces of Maxim Integrated MAX9095ASD+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
