

MAX913ESA+T

Part Number: [MAX913ESA+T](#)

Manufacturer: [Maxim Integrated](#)

Description: IC COMPARATOR LP 8-SOIC

Data sheet:  [MAX912,913](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 27920 pcs                                 | Data sheet                        | <a href="#">MAX912,913</a><br><a href="#">Part Numbering System</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 5 V ~ 10 V                                                          |
| Voltage - Input Offset (Max)    | 2mV @ ±5V                                 | Type                              | with Latch                                                          |
| Supplier Device Package         | 8-SOIC                                    | Series                            | -                                                                   |
| Propagation Delay (Max)         | 14ns                                      | Packaging                         | Tape & Reel (TR)                                                    |
| Package / Case                  | 8-SOIC (0.154", 3.90mm Width)             | Output Type                       | Complementary, TTL                                                  |
| Operating Temperature           | -40°C ~ 85°C                              | Number of Elements                | 1                                                                   |
| Mounting Type                   | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                       |
| Manufacturer Standard Lead Time | 6 Weeks                                   | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Hysteresis                      | -                                         | Detailed Description              | Comparator with Latch Complementary, TTL 8-SOIC                     |
| Current - Quiescent (Max)       | 10mA                                      | Current - Output (Typ)            | 20mA                                                                |
| Current - Input Bias (Max)      | 5µA @ ±5V                                 | CMRR, PSRR (Typ)                  | 110dB CMRR, 100dB PSRR                                              |
| Base Part Number                | MAX913                                    |                                   |                                                                     |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 27920 pieces of Maxim Integrated MAX913ESA+T in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
