

MAX923EPA

Part Number: [MAX923EPA](#)

Manufacturer: [Maxim Integrated](#)

Description: IC COMPARATOR DUAL LOW PWR 8DIP

Data sheet:  [MAX921-924](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER              |                                                    |                                   |                                                                     |
|--------------------------------|----------------------------------------------------|-----------------------------------|---------------------------------------------------------------------|
| Part Number                    | MAX923EPA                                          | Manufacturer                      | <a href="#">Maxim Integrated</a>                                    |
| Description                    | IC COMPARATOR DUAL LOW PWR 8DIP                    | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Quantity Available             | 5697 pcs                                           | Data sheet                        | <a href="#">MAX921-924</a><br><a href="#">Part Numbering System</a> |
| Category                       | <a href="#">Integrated Circuits (ICs)</a>          | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 11 V, ±1.25 V ~ 5.5 V                                       |
| Voltage - Input Offset (Max)   | 10mV @ 5V                                          | Type                              | with Voltage Reference                                              |
| Supplier Device Package        | 8-PDIP                                             | Series                            | -                                                                   |
| Propagation Delay (Max)        | 12µs                                               | Packaging                         | Tube                                                                |
| Package / Case                 | 8-DIP (0.300", 7.62mm)                             | Output Type                       | CMOS, TTL                                                           |
| Operating Temperature          | -40°C ~ 85°C                                       | Number of Elements                | 2                                                                   |
| Mounting Type                  | Through Hole                                       | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                       |
| Lead Free Status / RoHS Status | Lead free / RoHS Compliant                         | Hysteresis                        | 50mV                                                                |
| Detailed Description           | Comparator with Voltage Reference CMOS, TTL 8-PDIP | Current - Quiescent (Max)         | 7.5µA                                                               |
| Current - Output (Typ)         | 50mA                                               | Current - Input Bias (Max)        | -                                                                   |
| CMRR, PSRR (Typ)               | 80dB CMRR, 80dB PSRR                               | Base Part Number                  | MAX923                                                              |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 5697 pieces of Maxim Integrated MAX923EPA in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
