

MAX931EPA+

**Part Number:** [MAX931EPA+](#)

**Manufacturer:** [Maxim Integrated](#)

**Description:** IC COMP DUAL LOW PWR W/REF 8DIP

**Data sheet:**  [MAX931-934](#)  
 [Part Numbering System](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Description                     | IC COMP DUAL LOW PWR W/REF 8DIP           | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Quantity Available              | 31672 pcs                                 | Data sheet                        | <a href="#">MAX931-934</a><br><a href="#">Part Numbering System</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 11 V, ±1.25 V ~ 5.5 V                                       |
| Voltage - Input Offset (Max)    | 10mV @ 5V                                 | Type                              | with Voltage Reference                                              |
| Supplier Device Package         | 8-PDIP                                    | Series                            | -                                                                   |
| Propagation Delay (Max)         | 12µs                                      | Packaging                         | Tube                                                                |
| Package / Case                  | 8-DIP (0.300", 7.62mm)                    | Output Type                       | CMOS, TTL                                                           |
| Operating Temperature           | -40°C ~ 85°C                              | Number of Elements                | 1                                                                   |
| Mounting Type                   | Through Hole                              | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                       |
| Manufacturer Standard Lead Time | 6 Weeks                                   | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                          |
| Hysteresis                      | 50mV                                      | Detailed Description              | Comparator with Voltage Reference CMOS, TTL 8-PDIP                  |
| Current - Quiescent (Max)       | 4µA                                       | Current - Output (Typ)            | 0.015mA @ 5V                                                        |
| Current - Input Bias (Max)      | -                                         | CMRR, PSRR (Typ)                  | 80dB CMRR, 80dB PSRR                                                |
| Base Part Number                | MAX931                                    |                                   |                                                                     |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 31672 pieces of Maxim Integrated MAX931EPA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
