

MAX9371ESA+

Part Number: [MAX9371ESA+](#)

Manufacturer: [Maxim Integrated](#)

Description: IC TRNSLTR UNIDIRECTIONAL 8SOIC

Data sheet:  [MAX9370-72](#)  
 [Part Numbering System](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

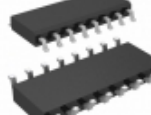

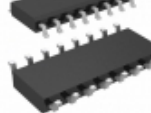

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 16313 pcs                                                         | Data sheet                       | <a href="#">MAX9370-72</a><br><a href="#">Part Numbering System</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a>                         | Translator Type                  | Mixed Signal                                                        |
| Supplier Device Package         | 8-SOIC                                                            | Series                           | -                                                                   |
| Packaging                       | Tube                                                              | Package / Case                   | 8-SOIC (0.154", 3.90mm Width)                                       |
| Output Type                     | Differential                                                      | Output Signal                    | LVPECL, PECL                                                        |
| Operating Temperature           | -40°C ~ 85°C (TA)                                                 | Number of Circuits               | 1                                                                   |
| Mounting Type                   | Surface Mount                                                     | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                       |
| Manufacturer Standard Lead Time | 6 Weeks                                                           | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                          |
| Input Signal                    | LVTTL, TTL                                                        | Features                         | -                                                                   |
| Detailed Description            | Mixed Signal Translator Unidirectional 1 Circuit 1 Channel 8-SOIC | Data Rate                        | -                                                                   |
| Channels per Circuit            | 1                                                                 | Channel Type                     | Unidirectional                                                      |
| Base Part Number                | MAX9371                                                           |                                  |                                                                     |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Maxim Integrated series electronic components. We have 16313 pieces of Maxim Integrated MAX9371ESA+ in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
