

MB3793-30DPNF-G-JN-ERE1

Part Number: [MB3793-30DPNF-G-JN-ERE1](#)

Manufacturer: [Cypress Semiconductor](#)

Description: IC PWR VOLT MONITOR 30A 8SOP GW

Data sheet:  [MB3793-27D/28D/30D](#)

RoHs Status: Lead free / RoHS Compliant

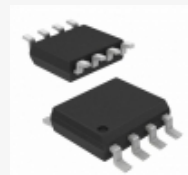

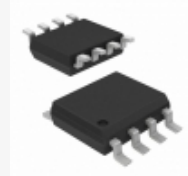

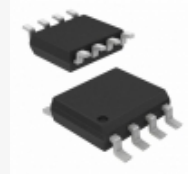

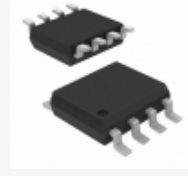

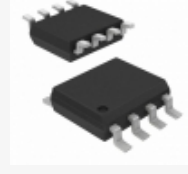

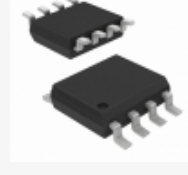

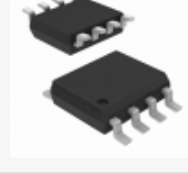

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | -                                                       | Reset Timeout                  | 30 ms Minimum                         |
| Reset                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Active Low                                              | Packaging                      | Tape & Reel (TR)                      |
| Package / Case                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 8-SOIC (0.154", 3.90mm Width)                           | Output                         | Open Drain or Open Collector          |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1534-1047-2                                             | Operating Temperature          | -40°C ~ 85°C (TA)                     |
| Number of Voltages Monitored                                                                                                                                                                                                                                                                                                                                                                                                                                                   | 1                                                       | Mounting Type                  | Surface Mount                         |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                               | 3 (168 Hours)                                           | Lead Free Status / RoHS Status | Lead free / RoHS Compliant            |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Supervisor Open Drain or Open Collector 1 Channel 8-SOP |                                |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cypress Semiconductor series electronic components. We have 5105 pieces of Cypress Semiconductor MB3793-30DPNF-G-JN-ERE1 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                |                                       |
