

MB88F332ABPMC-GSE1

Part Number: [MB88F332ABPMC-GSE1](#)

Manufacturer [Fujitsu Electronics America, Inc.](#)

Description IC GRAPHIC DISPLAY CTRLR 208LQFP

Data sheet:  [MB88F332](#)

RoHs Status: Lead free / RoHS Compliant

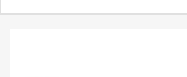

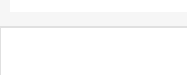

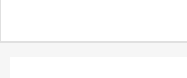

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 3 (168 Hours)                             | Lead Free Status / RoHS Status | Lead free / RoHS Compliant                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Automotive Systems                        |                                |                                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Fujitsu Electronics America, Inc. series electronic components. We have 4120 pieces of Fujitsu Electronics America, Inc. MB88F332ABPMC-GSE1 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                |                                                   |
