

MC100E457FNR2

ON Semiconductor®

Part Number: [MC100E457FNR2](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC MUX TRPL DIFF 2:1 ECL 28-PLCC

Data sheet:  [MC10, MC100E457](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                                             | 28-PLCC (11.51x11.51)                     | Series                         | 100E                                                 |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                           | Tape & Reel (TR)                          | Package / Case                 | 28-LCC (J-Lead)                                      |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                               | -40°C ~ 85°C                              | Mounting Type                  | Surface Mount                                        |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                    | 3 (168 Hours)                             | Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant                   |
| Independent Circuits                                                                                                                                                                                                                                                                                                                                                                                                                                | 1                                         | Detailed Description           | Multiplexer 3 x 2:1 28-PLCC (11.51x11.51)            |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                                                          | -                                         | Circuit                        | 3 x 2:1                                              |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                    | 100E457                                   |                                |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 4413 pieces of AMI Semiconductor / ON Semiconductor MC100E457FNR2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                |                                                      |
