

MC14532BDR2

ON Semiconductor® 

Part Number: [MC14532BDR2](#)

Manufacturer: [AMI Semiconductor / ON Semiconductor](#)

Description: IC PRIORITY ENCODER 8BIT 16-SOIC

Data sheet:  [MC14532B](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                                           | 16-SOIC                                   | Series                         | 4000B                                                |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                         | Tape & Reel (TR)                          | Package / Case                 | 16-SOIC (0.154", 3.90mm Width)                       |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                             | -55°C ~ 125°C                             | Mounting Type                  | Surface Mount                                        |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                  | 1 (Unlimited)                             | Lead Free Status / RoHS Status | Contains lead / RoHS non-compliant                   |
| Independent Circuits                                                                                                                                                                                                                                                                                                                                                                                                                              | 1                                         | Detailed Description           | Priority Encoder 1 x 8:3 16-SOIC                     |
| Current - Output High, Low                                                                                                                                                                                                                                                                                                                                                                                                                        | 8.8mA, 8.8mA                              | Circuit                        | 1 x 8:3                                              |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                                  | 4532                                      |                                |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all AMI Semiconductor / ON Semiconductor series electronic components. We have 4736 pieces of AMI Semiconductor / ON Semiconductor MC14532BDR2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                           |                                |                                                      |
