

MCP1703T-3302E/MC

Part Number:

MCP1703T-3302E/MC

Manufacturer:

Micrel / Microchip Technology

Description:

IC REG LINEAR 3.3V 250mA 8DFN

Data sheet:

Development Tools Catalog

MCP1703

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| PRODUCT PARAMETER               |                                                                            |                                  |                                               |
|---------------------------------|----------------------------------------------------------------------------|----------------------------------|-----------------------------------------------|
| Part Number                     | MCP1703T-3302E/MC                                                          | Manufacturer                     | Micrel / Microchip Technology                 |
| Description                     | IC REG LINEAR 3.3V 250mA 8DFN                                              | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                    |
| Quantity Available              | 133053 pcs                                                                 | Data sheet                       | Development Tools Catalog<br>MCP1703          |
| Category                        | Integrated Circuits (ICs)                                                  | Voltage Dropout (Max)            | 0.725V @ 250mA                                |
| Voltage - Output (Min/Fixed)    | 3.3V                                                                       | Voltage - Output (Max)           | -                                             |
| Voltage - Input (Max)           | 16V                                                                        | Supplier Device Package          | 8-DFN (2x3)                                   |
| Series                          | -                                                                          | Protection Features              | Over Current, Over Temperature, Short Circuit |
| Packaging                       | Tape & Reel (TR)                                                           | Package / Case                   | 8-VDFN Exposed Pad                            |
| PSRR                            | 44dB (100Hz)                                                               | Output Type                      | Fixed                                         |
| Output Configuration            | Positive                                                                   | Other Names                      | MCP1703T-3302E/MCTR<br>MCP1703T3302EMC        |
| Operating Temperature           | -40°C ~ 125°C                                                              | Number of Regulators             | 1                                             |
| Mounting Type                   | Surface Mount                                                              | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                 |
| Manufacturer Standard Lead Time | 10 Weeks                                                                   | Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                    |
| Detailed Description            | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 250mA 8-DFN (2x3) | Current - Quiescent (Iq)         | 5µA                                           |
| Current - Output                | 250mA                                                                      | Control Features                 | -                                             |
| Base Part Number                | MCP1703                                                                    |                                  |                                               |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 133053 pieces of Micrel / Microchip Technology MCP1703T-3302E/MC in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
