

MCP6022-E/SNVAO

Part Number: MCP6022-E/SNVAO

Manufacturer: Micrel / Microchip Technology

Description: IC OPAMP GP 10MHZ RRO 8SOIC

Data sheet:  MCP6021/1R/2/3/4

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                                | Integrated Circuits (ICs)   | Voltage - Supply, Single/Dual (±) | 2.5 V ~ 5.5 V                                           |
| Voltage - Input Offset                                                                                                                                                                                                                                                                                                                                                                                                                  | 500µV                       | Supplier Device Package           | 8-SOIC                                                  |
| Slew Rate                                                                                                                                                                                                                                                                                                                                                                                                                               | 7 V/µs                      | Series                            | Automotive, AEC-Q100                                    |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                               | Tube                        | Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                           |
| Output Type                                                                                                                                                                                                                                                                                                                                                                                                                             | Rail-to-Rail                | Operating Temperature             | -40°C ~ 125°C                                           |
| Number of Circuits                                                                                                                                                                                                                                                                                                                                                                                                                      | 2                           | Mounting Type                     | Surface Mount                                           |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                        | 1 (Unlimited)               | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                              |
| Gain Bandwidth Product                                                                                                                                                                                                                                                                                                                                                                                                                  | 10MHz                       | Detailed Description              | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-SOIC |
| Current - Supply                                                                                                                                                                                                                                                                                                                                                                                                                        | 1mA                         | Current - Output / Channel        | 30mA                                                    |
| Current - Input Bias                                                                                                                                                                                                                                                                                                                                                                                                                    | 1pA                         | Base Part Number                  | MCP6022                                                 |
| Amplifier Type                                                                                                                                                                                                                                                                                                                                                                                                                          | General Purpose             |                                   |                                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 3987 pieces of Micrel / Microchip Technology MCP6022-E/SNVAO in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                             |                                   |                                                         |
