

MCP6061T-E/SN

**Part Number:** MCP6061T-E/SN

**Manufacturer:** Micrel / Microchip Technology

**Description:** IC OPAMP GP 730KHZ RRO 8SOIC

**Data sheet:**  [Development Tools Catalog](#)  
 [Analog and Interface Product Guide](#)  
 [MCP6061-62,64](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 1.8 V ~ 6 V                                                                                                                      |
| Voltage - Input Offset          | 150µV                                     | Supplier Device Package           | 8-SOIC                                                                                                                           |
| Slew Rate                       | 0.25 V/µs                                 | Series                            | -                                                                                                                                |
| Packaging                       | Tape & Reel (TR)                          | Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                                                                                                    |
| Output Type                     | Rail-to-Rail                              | Other Names                       | MCP6061T-E/SN-ND<br>MCP6061T-E/SNTR                                                                                              |
| Operating Temperature           | -40°C ~ 125°C                             | Number of Circuits                | 1                                                                                                                                |
| Mounting Type                   | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                                                                                    |
| Manufacturer Standard Lead Time | 12 Weeks                                  | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                                                                                       |
| Gain Bandwidth Product          | 730kHz                                    | Detailed Description              | General Purpose Amplifier 1 Circuit Rail-to-Rail 8-SOIC                                                                          |
| Current - Supply                | 60µA                                      | Current - Input Bias              | 1pA                                                                                                                              |
| Base Part Number                | MCP6061                                   | Amplifier Type                    | General Purpose                                                                                                                  |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 109687 pieces of Micrel / Microchip Technology MCP6061T-E/SN in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
