

MCP6V02T-E/SN

Part Number: MCP6V02T-E/SN

Manufacturer: Micrel / Microchip Technology

Description: IC OPAMP CHOPPER 1.3MHZ 8SOIC

Data sheet:  [Analog and Interface Product Guide](#)  
 [MCP6V0\(1, 2, 3\)](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Quantity Available              | 53511 pcs                                 | Data sheet                        | <a href="#">Analog and Interface Product Guide</a><br><a href="#">MCP6V0(1, 2, 3)</a> |
| Category                        | <a href="#">Integrated Circuits (ICs)</a> | Voltage - Supply, Single/Dual (±) | 1.8 V ~ 5.5 V                                                                         |
| Voltage - Input Offset          | 2µV                                       | Supplier Device Package           | 8-SOIC                                                                                |
| Slew Rate                       | 0.5 V/µs                                  | Series                            | -                                                                                     |
| Packaging                       | Tape & Reel (TR)                          | Package / Case                    | 8-SOIC (0.154", 3.90mm Width)                                                         |
| Output Type                     | Rail-to-Rail                              | Other Names                       | MCP6V02T-E/SNTR                                                                       |
| Operating Temperature           | -40°C ~ 125°C                             | Number of Circuits                | 2                                                                                     |
| Mounting Type                   | Surface Mount                             | Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                                                         |
| Manufacturer Standard Lead Time | 8 Weeks                                   | Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                                                            |
| Gain Bandwidth Product          | 1.3MHz                                    | Detailed Description              | Zero-Drift Amplifier 2 Circuit Rail-to-Rail 8-SOIC                                    |
| Current - Supply                | 300µA                                     | Current - Input Bias              | 1pA                                                                                   |
| Base Part Number                | MCP6V02                                   | Amplifier Type                    | Zero-Drift                                                                            |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 53511 pieces of Micrel / Microchip Technology MCP6V02T-E/SN in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
