Buy MCP6V92-E/MS with confidence from Component-World.HK, 1 Year Warranty

Part Number:

MCP6V92-E/MS

Manufacturer:

Micrel / Microchip Technology

Description:

IC OP AMP ZERO DRIFT 10MHZ 8MSOP

Data sheet:

 [MCP6V91/1U/2/4](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

Request For Quotation

| PRODUCT PARAMETER                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                    |                                   |                                               |

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Zero-Drift Amplifier 2 Circuit Rail-to-Rail 8-MSOP | Current - Supply                  | 1.1mA                                         |
| Current - Output / Channel                                                                                                                                                                                                                                                                                                                                                                                                                                                           | 40mA                                               | Current - Input Bias              | 2pA                                           |
| Amplifier Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Zero-Drift                                         |                                   |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 65945 pieces of Micrel / Microchip Technology MCP6V92-E/MS in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                    |                                   |                                               |
