

MCP795B10-I/SL

Part Number: MCP795B10-I/SL

Manufacturer: Micrel / Microchip Technology

Description: IC RTC CLK/CALENDAR SPI 14-SOIC

Data sheet:  MCP795Wxx/Bxx Preliminary

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                               | Alarm, EEPROM, Leap Year, Square Wave Output, SRAM, Unique ID, Watchdog Timer | Detailed Description           | Real Time Clock (RTC) IC Clock/Calendar 64B SPI 14-SOIC (0.154", 3.90mm Width) |
| Date Format                                                                                                                                                                                                                                                                                                                                                                                                                            | YY-MM-DD-dd                                                                   | Current - Timekeeping (Max)    | 1µA @ 1.8V ~ 5.5V                                                              |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                                       | MCP795B10                                                                     |                                |                                                                                |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 5378 pieces of Micrel / Microchip Technology MCP795B10-I/SL in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                               |                                |                                                                                |
