

MCP9600-E/MX

Part Number: MCP9600-E/MX

Manufacturer: Micrel / Microchip Technology

Description: IC THERMOCOUPLE TO I2C 20MQFN

Data sheet:  MCP9600

RoHs Status: Lead free / RoHS Compliant

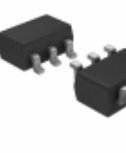

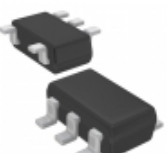

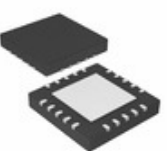

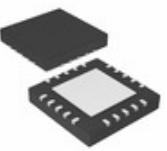

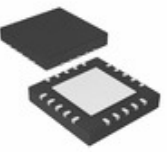

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                                                                                                                                                                                                                                                                                                                                                                                                                              | Integrated Circuits (ICs)     | Type                             | Thermocouple to Digital Converter |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                               | 20-MQFN (5x5)                 | Series                           | -                                 |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                             | Tube                          | Package / Case                   | 20-VQFN Exposed Pad               |
| Output Type                                                                                                                                                                                                                                                                                                                                                                                                                           | Digital                       | Operating Temperature            | -40°C ~ 125°C                     |
| Mounting Type                                                                                                                                                                                                                                                                                                                                                                                                                         | Surface Mount                 | Moisture Sensitivity Level (MSL) | 3 (168 Hours)                     |
| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                        | Lead free / RoHS Compliant    | Interface                        | I²C                               |
| Input Type                                                                                                                                                                                                                                                                                                                                                                                                                            | Thermocouple                  | Current - Supply                 | 300µA                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 18770 pieces of Micrel / Microchip Technology MCP9600-E/MX in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                               |                                  |                                   |
