

MIC2782FRYCS-TR

Part Number: [MIC2782FRYCS-TR](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC DUAL PUSH BUTTON RESET 6WLCSP

Data sheet:  [MIC2782](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Supervisor Open Drain or Open Collector 2 Channel 6-WLCSP (1.2x0.80) |                                |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 381067 pieces of Micrel / Microchip Technology MIC2782FRYCS-TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                      |                                |                                               |
