

MIC4469CN

Part Number: [MIC4469CN](#)

Manufacturer: [Micrel / Microchip Technology](#)

Description: IC DRIVER MOSF QUAD 1.2A 14-DIP

Data sheet:  [MIC4467-69](#)

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Low-Side Gate Driver IC Inverting, Non-Inverting 14-DIP | Current - Peak Output (Source, Sink) | 1.2A, 1.2A                                    |
| Channel Type                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Independent                                             | Base Part Number                     | MIC4469                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micrel / Microchip Technology series electronic components. We have 28934 pieces of Micrel / Microchip Technology MIC4469CN in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                         |                                      |                                               |
