Buy MKS2C032201B00JSC9 with confidence from  
Component-World.HK, 1 Year Warranty

**Part Number:** [MKS2C032201B00JSC9](#)

**Manufacturer:** [WIMA](#)

**Description:** CAP FILM 0.22UF 5% 63VDC RAD

**Data sheet:**  [WIMA MKS 2](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                      | 0.22µF Film Capacitor 40V 63V Polyester, Polyethylene Terephthalate (PET), Metallized Radial | Capacitance                      | 0.22µF                                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                              | Automotive                                                                                   |                                  |                                                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all WIMA series electronic components. We have 422978 pieces of WIMA MKS2C032201B00JSC9 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                                              |                                  |                                                         |
