

MT29F128G08CEEDBJ4-12IT:D TR

Part Number: MT29F128G08CEEDBJ4-12IT:D TR

Manufacturer: Micron Technology

Description: IC FLASH 128G PARALLEL 83MHZ

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | -                                                              | Packaging                      | Tape & Reel (TR)                  |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | MT29F128G08CEEDBJ4-12IT:D TR-ND<br>MT29F128G08CEEDBJ4-12IT:DTR | Operating Temperature          | -40°C ~ 85°C (TA)                 |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                            | 3 (168 Hours)                                                  | Memory Type                    | Non-Volatile                      |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 128Gb (16G x 8)                                                | Memory Interface               | Parallel                          |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                                                                               | FLASH                                                          | Lead Free Status / RoHS Status | Lead free / RoHS Compliant        |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                        | FLASH - NAND Memory IC 128Gb (16G x 8) Parallel 83MHZ          | Clock Frequency                | 83MHz                             |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 6669 pieces of Micron Technology MT29F128G08CEEDBJ4-12IT:D TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                |                                   |
