

MT29F1G16ABBEAH4-ITX:E

Part Number: [MT29F1G16ABBEAH4-ITX:E](#)

Manufacturer [Micron Technology](#)

Description IC FLASH 1G PARALLEL 63VFBGA

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Voltage - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 1.7 V ~ 1.95 V                                                 | Technology                     | FLASH - NAND                      |
| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                                                                | 63-VFBGA (9x11)                                                | Series                         | -                                 |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Tray                                                           | Package / Case                 | 63-VFBGA                          |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                                                                  | -40°C ~ 85°C (TA)                                              | Mounting Type                  | Surface Mount                     |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                       | 3 (168 Hours)                                                  | Memory Type                    | Non-Volatile                      |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 1Gb (64M x 16)                                                 | Memory Interface               | Parallel                          |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                                                                          | FLASH                                                          | Lead Free Status / RoHS Status | Lead free / RoHS Compliant        |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                   | FLASH - NAND Memory IC 1Gb (64M x 16) Parallel 63-VFBGA (9x11) | Base Part Number               | MT29F1G16                         |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 35688 pieces of Micron Technology MT29F1G16ABBEAH4-ITX:E in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                |                                   |
