

MT29F32G08ABCABH1-10ITZ:A

Part Number: MT29F32G08ABCABH1-10ITZ:A

Manufacturer: Micron Technology

Description: IC FLASH 32G PARALLEL 100VBGA

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Packaging                                                                                                                                                                                                                                                                                                                                                                                                                 | Bulk                                                                  | Package / Case                 | 100-VFBGA                  |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                     | -40°C ~ 85°C (TA)                                                     | Mounting Type                  | Surface Mount              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                          | 3 (168 Hours)                                                         | Memory Type                    | Non-Volatile               |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                               | 32Gb (4G x 8)                                                         | Memory Interface               | Parallel                   |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                             | FLASH                                                                 | Lead Free Status / RoHS Status | Lead free / RoHS Compliant |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                      | FLASH - NAND Memory IC 32Gb (4G x 8) Parallel 100MHz 100-VBGA (12x18) | Clock Frequency                | 100MHz                     |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                          | MT29F32G08                                                            |                                |                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 3503 pieces of Micron Technology MT29F32G08ABCABH1-10ITZ:A in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                       |                                |                            |
