

MT29F32G08AECCBH1-10:C TR

Part Number: MT29F32G08AECCBH1-10:C TR

Manufacturer: Micron Technology

Description: IC FLASH 32G PARALLEL 100MHZ

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Voltage - Supply                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 2.7 V ~ 3.6 V                                            | Technology                     | FLASH - NAND                      |
| Series                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | -                                                        | Packaging                      | Tape & Reel (TR)                  |
| Other Names                                                                                                                                                                                                                                                                                                                                                                                                                                                              | MT29F32G08AECCBH1-10:C TR-ND<br>MT29F32G08AECCBH1-10:CTR | Operating Temperature          | 0°C ~ 70°C (TA)                   |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                                                                         | 3 (168 Hours)                                            | Memory Type                    | Non-Volatile                      |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                                                                              | 32Gb (4G x 8)                                            | Memory Interface               | Parallel                          |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                                                                            | FLASH                                                    | Lead Free Status / RoHS Status | Lead free / RoHS Compliant        |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                     | FLASH - NAND Memory IC 32Gb (4G x 8) Parallel 100MHz     | Clock Frequency                | 100MHz                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 3996 pieces of Micron Technology MT29F32G08AECCBH1-10:C TR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                |                                   |
