

MT29F4G01ABAFD12-AATES:F

Part Number: MT29F4G01ABAFD12-AATES:F

Manufacturer: Micron Technology

Description: IC FLASH 4G SPI TBGA

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Series                                                                                                                                                                                                                                                                                                                                                                            | -                                         | Operating Temperature          | -40°C ~ 105°C (TC)                |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                  | 3 (168 Hours)                             | Memory Type                    | Non-Volatile                      |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                       | 4Gb (4G x 1)                              | Memory Interface               | SPI                               |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                     | FLASH                                     | Lead Free Status / RoHS Status | Lead free / RoHS Compliant        |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                              | FLASH - NAND Memory IC 4Gb (4G x 1) SPI   |                                |                                   |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 10805 pieces of Micron Technology MT29F4G01ABAFD12-AATES:F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours. |                                           |                                |                                   |
