

MT29F64G08AMCBBH2-12:B

Part Number: MT29F64G08AMCBBH2-12:B

Manufacturer: Micron Technology

Description: IC FLASH 64G PARALLEL 100TBGA

Data sheet:

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Supplier Device Package                                                                                                                                                                                                                                                                                                                                                                                                | 100-TBGA (12x18)                                                     | Series                         | -                          |
| Packaging                                                                                                                                                                                                                                                                                                                                                                                                              | Bulk                                                                 | Package / Case                 | 100-TBGA                   |
| Operating Temperature                                                                                                                                                                                                                                                                                                                                                                                                  | 0°C ~ 70°C (TA)                                                      | Mounting Type                  | Surface Mount              |
| Moisture Sensitivity Level (MSL)                                                                                                                                                                                                                                                                                                                                                                                       | 3 (168 Hours)                                                        | Memory Type                    | Non-Volatile               |
| Memory Size                                                                                                                                                                                                                                                                                                                                                                                                            | 64Gb (8G x 8)                                                        | Memory Interface               | Parallel                   |
| Memory Format                                                                                                                                                                                                                                                                                                                                                                                                          | FLASH                                                                | Lead Free Status / RoHS Status | Lead free / RoHS Compliant |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                   | FLASH - NAND Memory IC 64Gb (8G x 8) Parallel 83MHz 100-TBGA (12x18) | Clock Frequency                | 83MHz                      |
| Base Part Number                                                                                                                                                                                                                                                                                                                                                                                                       | MT29F64G08                                                           |                                |                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Micron Technology series electronic components. We have 1263 pieces of Micron Technology MT29F64G08AMCBBH2-12:B in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                      |                                |                            |
